Old Business:

ITAB Report : Bobbie Sue Koelling

MOREnet is preparing reports on bandwidth and other server-related topics
MOTEC is at full capacity.
The Internet cap group is reporting 3000 more users than last year
There will no more vendor demos at ITAB

Search Engine: Ron Thomas

We were not able to return our failover box for a license to index 1 million pages, so we will be have to be mindful of the 500,000 page cap for the next couple of years. OA plans to begin using the search tool on September 12.
Chris Mertens demonstrated the administrative and management interfaces for the search tool. Each agency will have a management ID and will be able to customize the look and feel of their search result pages. It will be possible to have several interfaces for different parts of an agency's web.

Link2Gov 508 compliance: Kevin Lanahan

The accessibility portion of the Link2Gov contract is almost ready.

Pop-up Window Guidelines: Kevin Lanahan

Nothing to report.

New Business:
Accessibility: 2006 Symposium: Kevin Lanahan
A group of DMD members has suggested doing another web symposium, focusing on a different aspect of accessibility. A planning group will explore possible topics.
A suggestion has also been made about adding an accessibility presentation at each DMD meeting.

Agency Projects/Open Discussion:
Contribute subgroup
Kevin Lanahan suggested that the agencies using Contribute may want to meet to share ideas and discuss best practices.

Next monthly meeting is October 6 from 1:30 pm to 3:00 pm in Room 500 of the Harry S Truman Building
